Miguel Floresca-Cravens

Letter of Recommendation

Thank you for giving me the honor and opportunity to write a letter of recommendation for Miguel Floresca-Cravens.

I hired Miguel for my Assistant Branch Manager position at a time when my branch was under staffed and needed someone that can oversee the operations of the branch and provide the level of service that our credit union members expected. He performed extremely well and he was instrumental in providing stability to the branch. He is hard-working, follows directions very well, ability to quickly learn and adjust to changing conditions and very coachable.

I have high confidence that Miguel will perform to a high level of professionalism to whatever he pursues as his career.

Sincerely,

Gabe Castillo
