

To whom it may concern,

I wanted to share my formal recommendation for employment with Miguel Floresca-Cravens. Miguel has consistently demonstrated an ability to provide exceptional leadership and teamwork with a diverse group of people. Miguel sets the standard for determination and problem solving and is a quick efficient learner. Miguel takes each opportunity to position himself to learn and tackle new challenges and does so with a positive attitude.

I would strongly recommend Miguel for career opportunities, it was truly a pleasure to work with him.
